1. Where you are going, no one can come with you.
You are Me and we are going; there almost.
Yea you alone not, Mine, thee Me, Me thee, and alone we traverse in the kingdoms not of this world to show, document, redeem, and reveal all, Father's heart wide open and who can close to love? I love you.

2. Into Me seeing the crime and hegemony embraced, adopted; whose sons becoming? Not-Mine, yea when Mine were and adopted a lie not, lies eternal not, but lies not eternal that now cannot stand, exist, and fight back do/will; yet you stand in still'd standing dissolve all not-Me/lies/darkness, shadow'd thinking which results in sight impairment and blindness so dark.

3. **Yea who are the desperate enough to know Me**, disparate not but yea of My color, skin, sight, vision, consciousness? Yea who of every nation tribe and tongue can see/behold that I am every nation tribe and tongue and placed Myself I did in each and every one and what are they doing with Me, now that they know/hear I am them? Yea, surrender, or else demise themselves in their own judgment; yea limiting their options and poverty usurping when their design was/is greatness, royalty, and kingdom builders/temple-residers/Father's children heirs equal and on His throne can/could have sat. Oh My.

4. Who can know/go with Me/you? No one.
You chose. You paid, you died to flesh and definitional theology that embraced Me to degrees yet held/hold Me back in so many does, yea religions all.

5. See what I am saying, foreboding not, forewarning not, yea in this, but say/stating; I alone am with you and you are never alone, are you?

6. You choosing with each breath/decision/step which takes you out of the realm of Me not but out of the step of your security, thoughts, and where am I taking you? Birthing you? Into? Yea, Mehood, Me-ship; core central'd to the central core of My existence all in all and who can follow? Those who surrender equally and more, who excel you will. I love you.

7. You are walking a path I have trod. Alone.
This is you time, moment, and I birth you forth.
The world will rejoice and stone some, but yea the end is not yet, and all shall see our glory; given to a man not of flesh but of spirit heart of only Me, yea who panteth for My brethren, yea redemption being. I love you.

8. Say not this is the end of the harvest, has it begun?
Who what is the harvest and where who are its leaders? Equal with Me and each other? Yea see what I have said/asked.

9. Who can substantiate My appearing?
Who can empirical My miracles?
Who can exceed Me and rejoice My heart in doing so?
Who can know Me intimately?
Who chooseth Me. That's who.
I love you.

10. Uneconomic status? Or status of one? I love you.

11. You arise alone with healing in your wings.
Meekness your name/armor. I love you.

12. Meeknessing the earth's value, #1, to see Me, behold, and in them take charge not but resurrect into surrendership. Yea and amen. I love you.

13. You're alone not, we arise.
You are My name, My blood, one blood.
One Father (1-10) you show all.
Thank you.
Amen.

14. Religion embraces Me of those who can think.
Can My Son think?
My Son has My mind.
Yea see, hear, think not with yours, but Mine, and the gates of hell won't prevail against it/Me. Thank you.
Amen.

15. I smile.
I await.
I work the works of Him who sent Me, you do now. And send many.
Thank you.

Me
